

# REANNON PHARMACEUTICALS

WE ALWAYS TO CARE

REANNON

## OVERVIEW

**REANNON PHARMACEUTICALS** –manufacturer of API's and formulations - a fastest growing Pharmaceutical Company, has strengthened its wings in the international markets with a proven track record of developing, manufacturing and marketing high quality pharmaceutical formulations and API's- multi step, highly complex, potent, chiral & semi-synthetic, Advance intermediates, specialty chemicals and building blocks at affordable prices for the global market.

After the foundation in the year 2008, we REANNON PHARMACEUTICALS have never looked back and started achieving various milestones with the perseverance and peerless dedication of Mr. Gole B. H.

We set up the business in Mumbai, Maharashtra, India, we have started the business from Injectables and then diversified our product line into Capsules, Syrups, Tablets, Eye/Ear Drops, Creams, etc. Being an eminent Exporter, product range including both generic and branded are offered by us worldwide.

We understand customer needs and offer solutions & products from API's to its intermediates, Semi-finished products to finished formulation as per customer's requirement.

In 2006's and early 2011's, we ventured into several international markets where our goods received warm welcome. We have a large basket of products backed by CTD/ ACTD Dossiers and Drug Master Files (DMFs).

Our worldwide product acceptability is reflected in the repeated orders and constant increase in the export volume to Central America, Africa and CIS countries including Tanzania, Ethiopia, Nigeria and Ghana.

### OUR MISSION

To innovate, manufacture and market high-quality healthcare products that enhance the quality of human life all over the globe, and in turn, increase shareholders' value.

### OUR VISION

Our Vision to achieve our mission to fullest with continuously enhancing our technical and functional skills and moving ahead with you.

### OUR CORE VALUES

We rigorously measure ourselves against these values to ensure our clients receive the best possible experience and benefit from our products and our relationship with them.

Reannon Pharmaceutical's business philosophy is based on its core values -

#### Three T's (TRUST, TRANSPARANCY AND TIME)

**TRUST:** Trust is a super important part of a healthy relationship and it is the lubrication that, makes it possible for organizations to work.

**TRANSPARENCY:** Transparency is key to builds trust ALL our relationships.

**TIME:** Keeping in mind importance of above two values, we strive hard to deliver our quality products to our valued customer on time.

Our business philosophy strongly supports the belief that our success is based upon the success of our clients and that, in order to achieve client success, the core values must be incorporated into every facet of our business on a daily basis.

## **OUR FACILITIES**
